

L'ESPERANCE
Apostle Paul
Missionary School
Itapecerica
Brazil

Our training farm is situated in the Brazilian state of Minas Gerais at an altitude of 835 m, 20 miles from Divinópolis, in rolling hills. The 118 hectares consist of forest, pastures, fields, ponds, and streams. Here we cultivate vegetables and fruits, rear cattle, chicken, and bees.

From **1997** to 2014 L'ESPERANCE Kinderhilfe ran a home for young social orphans on this land. Then, in **2016**, our school for self-supporting missionaries opened to teach Bible work, agriculture, health and administration. Its name is **EMAAP: Escola de Misionários Auto-sustentáveis Apóstolo Paulo** and it is attended by **20** students in its second year now. **Alek Sandra Oliveira** (second from left) is our general manager. Her husband **Rozelito Croscop** (far left) has turned our farm land into a miracle. He also uses alternative concepts like agro-forestry. The photo shows three more board members. In

organizing this year's course we are supported by LIGHT and Serra do Cipó Lifestyle Center.

The objective is to teach our students how to carry the good news to the Brazilians by precept and example without being dependent on donations. Not only our own agriculture, but also the pioneer work in and around Itapecerica serves as a field of practical education. The first church could be founded 2016 with 15 mem-

bers in this very Catholic city. The worship services are attended regularly by about 35 persons.

Any financial help to construct more housing for students is highly appreciated.

Give a future, sponsor a child, student, or project!

Child Sponsorship

Help a child in Africa or South America with 15, 30, 60, or 90 €/£/\$ per month to leave misery, find a protected home, and have a positive perspective for the future.

Student or Project Sponsorship

Finance a student. Contribute to the construction of new living quarters, class rooms or workshops for orphans. Help to extend the area where vegetable, fruit, and cereals are cultivated in order to pursue self-sufficiency and education. Build income generating departments to lessen the dependency on donations.

Mission Trips

Share your knowledge, skills and hobbies in a L'ESPERANCE project with the children, in house construction, as a teacher, professional counselor, in agriculture, craft, or as a health counselor. Get acquainted with dear children on site and kind local people apart from the flow of tourists. Combine your help with a trip through one or more of these fascinating countries.

We extend a warm welcome to you! Get in touch with us!

»Whoever receives one such child in my name receives me ... See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven.«
