

L'ESPERANCE Technical School Kigarama Rwanda

The L'ESPERANCE School of Agriculture Kigarama in Rwanda is situated 150 km (90 miles) west of Kigali on top of a hill overlooking Lake Kivu and started in March **2016**.

Theomistocles Turihokubwayo is the manager of our agricultural high school in Kigarama. This is where the children's village has offered many years its open arms for many orphans. At our school 32 young people get a three-year education concluding with a state-approved certificate entitling them to enter university. Students from poor families have the chance to earn their tuition on the farm. We also educate 17 students in tailoring. Altogether **49 students** are taking classes this year at our school.

The premises comprise 12 hectares (30 acres) and their cropland provides ample space for the practical part of the formation. Tons of **guava** can be harvested, **pineapple** ripen on one hectare, the terraces are covered with banana and mango trees. Apart from selling the organic fruit, we plan to process them from **2017** to juice, jelly, jam and dry fruit. It is our goal to make the school more and more independent from donations. The newly erected **greenhouse** is one of the most modern ones in the area. There are four milk cows, too. Beekeeping has been started.

For the running school year we ask for financial help to realize the fruit processing and to start a small chicken farm in a barn.

Give a future, sponsor a child, student, or project!

Child Sponsorship

Help a child in Africa or South America with 15, 30, 60, or 90 €/£/\$ per month to leave misery, find a protected home, and have a positive perspective for the future.

Student or Project Sponsorship

Finance a student. Contribute to the construction of new living quarters, class rooms or workshops for orphans. Help to extend the area where vegetable, fruit, and cereals are cultivated in order to pursue self-sufficiency and education. Build income generating departments to lessen the dependency on donations.

Mission Trips

Share your knowledge, skills, and hobbies in a L'ESPERANCE project with the children, in house construction, as a teacher, professional counselor, in agriculture, craft, or as a health counselor. Get acquainted with dear children on site and kind local people apart from the flow of tourists. Combine your help with a trip through one or more of these fascinating countries.

We extend a warm welcome to you! Get in touch with us!
