

L'ESPERANCE Children's Village Akaki Beseka Ethiopia

The children's village on the Akaki River was founded in **1985**, is situated 10 miles south of downtown Addis Ababa, and gives a home to **93 orphans**. **Kindergarten, elementary, and secondary school** of our institution are attended by **1080 children and adolescents**. The **boarding academy** hosts **189 students**. The premises comprise 35 ha. Teff, wheat, and vegetables are cultivated. Oxen, donkeys, and bee populations are kept. There are also four milk cows in a stable financed by the German government.

Yewubnesh Dando is our director and heads a staff of 161 workers. Our school is known for its high educational level. Many of the students come from rich families. Our shuttle service for them from the city center together with the boarding academy is a good source of income facilitating the educational services financially.

Our educational facilities are happy to have growing student numbers. Therefore a lot of construction has been going on lately. At the moment a new dining hall is being built. A number of school boards secure quality and progress. To many children from poor families we offer exemption from tuition.

Our next great project is the **founding of a second children's village** at Lake Awasa while the academy will remain in Akaki Beseka. We want to bring the orphans in closer touch with creation and in this way also with their creator.

To realize this we are again hoping for the generosity of our supporters.

Child Sponsorship

Help a child in Africa or South America with 15, 30, 60, or 90 €/£/\$ per month to leave misery, find a protected home, and have a positive perspective for the future.

Student or Project Sponsorship

Finance a student. Contribute to the construction of new living quarters, class rooms or workshops for orphans. Help to extend the area where vegetable, fruit, and cereals are cultivated in order to pursue self-sufficiency and education. Build income generating departments to lessen the dependency on donations.

Voluntourism

Share your knowledge, skills and hobbies in a L'ESPERANCE project with the children, in house construction, as a teacher, professional counselor, in agriculture, craft, or as a health counselor. Get acquainted with dear children on site and kind local people apart from the flow of tourists. Combine your help with a trip through one or more of these fascinating countries.

We extend a warm welcome to you! Get in touch with us!
