

L'ESPERANCE Children's Village Kinyo Uganda

The children's village is situated about 75 km (50 miles) southeast of Kampala in 1200 m altitude overlooking Lake Victoria. It was founded in **2013** and continues the work that was begun in **1988** with the children's village Kirinda.

Daniel Busulwa, our manager is responsible for **87 orphans**, 62 of which live in Kinyo, while the others are on boarding academies, universities or in vocational training. Sponsors are still needed for some of the children. Our **kindergarten** and the five classes of the **elementary school** are attended by **232 children**.

The **grounds** comprise **87 ha** of forest, pastures and cropland for vegetables, cereals and fruit. The **poultry farm** with a potential of 1.000 laying hens is back working. There is a **banana plantation** of about 2.000 plants. On an area of about one hectare **passion fruits** are cultivated.

The goal of every L'ESPERANCE children's village is to secure **self-subsistence** and to teach the orphans through various production areas as much knowledge as possible for their future lives. Another goal is to reduce the dependence on donations. The water supply of the village is guaranteed through wells on our land. 5,4 km of water pipes lead to its various parts. Electricity is produced by solar panels.

Recently a second school house has been completed. This year the next housing unit for more orphans will be built. Whoever wants to help as a volunteer can combine this with a **photo safari**. Join in!

Moreover we annually offer two volunteer places through ADRA and the weltwärts program. The duration is one year.

Give a future, sponsor a child, student, or project!

Child Sponsorship

Help a child in Africa or South America with 15, 30, 60, or 90 €/£/\$ per month to leave misery, find a protected home, and have a positive perspective for the future.

Student or Project Sponsorship

Finance a student. Contribute to the construction of new living quarters, class rooms or workshops for orphans. Help to extend the area where vegetable, fruit, and cereals are cultivated in order to pursue self-sufficiency and education. Build income generating departments to lessen the dependency on donations.

Voluntourism

Share your knowledge, skills, and hobbies in a L'ESPERANCE project with the children, in house construction, as a teacher, professional counselor, in agriculture, craft, or as a health counselor. Get acquainted with dear children on site and kind local people apart from the flow of tourists. Combine your help with a trip through one or more of these fascinating countries.

We extend a warm welcome to you! Get in touch with us!

»Whoever receives one such child in my name receives me ... See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven.«
